From the Mayor's Desk

Greetings and welcome to the November edition of our newsletter. The day light saving time ends on November 1st, don't forget the set your clock back (1) hour.

The Town has been awarded a grant from International Paper in the amount of \$15,000.00 for painting and refurbishing the water tower.

The solid waste rate for the upcoming year will not increase, even though COVID-19 has forced many municipalities around the country to increase their rates.

The Town will be planning strategic meetings to discuss the utilization of the property on Dowdy Street Extension for future economic development projects.

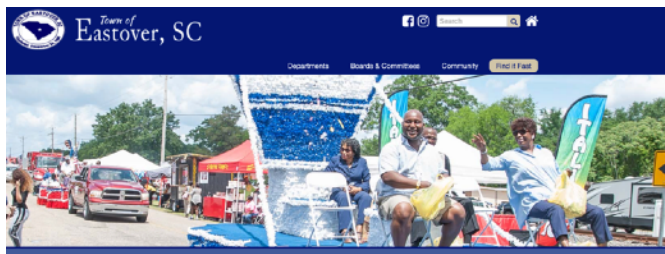

The Presidential Election will be held on Tuesday, November 3rd. We are collaborating with St. Phillip AME Church to offer rides to Eastover Park and Webber School voting precincts. Hotdogs, chips and drinks will be provided during the hours of 3:00 – 7:00pm.

We will be giving away turkeys to the senior citizens of ages 65 and older on Thursday, November 19 at 1:00pm at the Town Hall. The sponsors for this give away event are Burris and Ridgeway Law firm of Columbia, SC.

Sincerely,
Mayor Phillip Gunter
