(e) "License Inspector" means the Town Clerk-Treasurer or any duly appointed Town employee.

(f) "Person" means any individual, firm, partnership, cooperative non-profit membership, corporation, joint venture, association, estate, trust, business trust, receiver, syndicate, holding company, or other group or combination acting as a unit, in the singular or plural and the agent or employee having charge or control of a business in the absence of the principals.

SECTION 3. Purpose and Duration.

The business license levied by this Ordinance is for the purpose of providing such regulation as may be required by the businesses subject thereto and for the purpose of raising revenue for the general fund through a privilege tax. Each license shall be issued for one year and shall expire on June 30, excepting that in the first year of passage, the license fee shall be charged from the effective date of this ordinance until June 30 of the following year and the fee therefore prorated. The provisions of this Ordinance and the rates herein shall remain in effect from year to year as amended by Town Council.

SECTION 4 License Fee.

The required license fee shall be paid for each business subject hereto according to the applicable rate classification on or before the 30th day of June in each year. A separate license shall be required for each place of business and for each classification of business conducted at one place. If gross income cannot be separated for classifications at one location, the
license fee shall be computed on the combined gross income for the classification requiring the highest rate. A license fee based on gross income shall be computed on the gross income for the preceding calendar or fiscal year, and on a twelve month projected income based on the monthly average for a business in operation for less than one year. The fee for a new business shall be computed on the estimated probable gross income stated in the license application for the balance of the calendar year on a prorated basis. A new business license, computed as outlined above, shall be recalculated during the month of August in the year following such estimate and the tax shall be computed on the actual business done during that period. Should there have been an overpayment based upon an estimated tax, said overpayment shall be returned to the applicant. Should there have been an underpayment, said applicant shall be required to pay the additional amount computed based on actual gross income.

SECTION 5

Registration Required.

The owner, agent or legal representative of every business subject to this ordinance, whether listed in the classification index or not, shall register the business and make application for a business license on or before July 1 of each year, except that a new business shall be required to have a business license prior to operation within the Town. Publication shall be on a form provided by the License Inspector which shall contain the social Security Number and/or Federal Employer's Identification Number, the business name as reported on the South Carolina Income Tax Return, and all information about the applicant and the business deemed necessary to carry out the purposes of this Ordinance by the License Inspector. The applicant shall certify under oath that the information given in the application is true, that the gross income is accurately reported, or estimated for a new business, without any unauthorized deductions, and that all assessments and personal property taxes due and payable to the Town have been paid. Insurance agents and brokers shall report the name of each insurance company for which a policy was issued and the total premiums collected for each company for each type of insurance coverage on a form approved by the license inspector. Insurance agents employed by more than one company shall be licensed as brokers.

SECTION 6.

Deductions and Exemptions.

No deductions from gross income shall be made except income exempt by Federal Law, income from business done wholly outside the Town on which a license tax is paid to some other political subdivision, or income which cannot be taxed pursuant to State law. The applicant shall have the burden to establish the right to a deduction by satisfactory records and
proof. No persona shall be exempt from the requirements of this Ordinance by reason of the lack of an established place of business within the city, unless exempted by State or Federal law. No person shall be exempt from this Ordinance by reason of the payment of any other tax, unless exempted by State law, and no person shall be relieved of the liability for the payment of any other tax by reason of the application of this Ordinance.

SECTION 7 False Application Unlawful.

It shall be unlawful for any person subject to the provisions of this ordinance to make a false application for a business license, or to give or file, or direct the giving or filing of any false information with respect to the license or fee required by this Ordinance.

SECTION 8 Display and Transfer.

All persons shall display the license issued to them on the original form provided by the License Inspector in a conspicuous place in the business establishment at the address shown on the license. A transient or non-resident shall carry the license upon his person or in a vehicle used in the business readily available for inspection by any authorized agent of the Town. A change of address must be reported to the License Inspector within ten (10) days after the removal of the business to a new location and the license will be valid at the new address upon written notification of the License Inspector and compliance with zoning and building codes. Failure to obtain the approval of the license Inspector for a change of address shall invalidate the license and subject the licensee to prosecution for doing business without a license. A business license shall not be transferable and a transfer of ownership shall be considered a termination of the old business and the establishment of a new business license, based on old business income, will be required.

SECTION 9 Administration of Ordinance.

The License Inspector shall administer the provisions of this ordinance, collect license fees, issue licenses, make or initiate investigations and audits to insure compliance, initiate denial or revocation procedures, report violations to the police department and assist in prosecution of violators; produce forms, make recommendations relating to the administration of this ordinance, and perform such other duties as may be assigned by the Council.

SECTION 10 Inspection and Audits.
For the purpose of enforcing the provisions of this ordinance, the License Inspector or other authorized agent of the Town is empowered to enter upon the premises of any person subject to this ordinance to make inspections, examine and audit books and records, and it shall be unlawful for any such person to fail or refuse to make available the necessary books and records. In the event an audit or inspection reveals that false information has been filed by the licensee, the costs of the audit shall be added to the correct license fee and late penalties in addition to other penalties provided herein. Each day of failure to pay the proper amount of license fee shall constitute a separate offense. The License Inspector shall make systematic inspections of all businesses within the Town to insure compliance with the ordinance. Records of inspections and audits are treated as trade secrets and may not be deemed public records; the License Inspector shall not release the reported gross income of any person by name without permission of the licensee, provided that statistics compiled by classifications may be made public.

SECTION 11

Assessments.

When any person shall have failed to obtain a business license or to furnish the information required by this Ordinance to the License Inspector, the License Inspector shall proceed to examine such records of the business or any other available records as may be appropriate and to conduct such investigations and statistical surveys as he may deem appropriate to assess a license tax and penalties as provided herein. A notice of assessment shall be served by certified mail and an application for adjustment of the assessment may be made to the license Inspector within five (5) days after the notice is mailed or the assessment will become final. The License Inspector shall establish by regulation the procedure for hearing an application for adjustment of assessment and issuing a notice of final assessment. A final assessment may be appealed to Town Council only by payment in full of the assessment under protest within five (5) days and the filing of written Notice of Appeal within ten (10) days after payment, pursuant to the provisions of this Ordinance relating to appeals to Town Council.

SECTION 12

Delinquent License Fees.

If any license fee shall remain unpaid for sixty (60) days after its due date, the License Inspector may issue an execution which shall constitute a lien upon the property of the licensee for the tax, penalties and costs of collections, and he shall proceed to collect in the same manner as prescribed by law for the collection of other taxes.
